## FOOD ALLERGIES & INTOLERANCES

\*Since we prepare our food in a busy working environment we cannot guarantee that our items are 100% allergen/contamination free. For that reason we would not recommend any of our crust options for those with a strong gluten intolerance. We provide information on all the allergens contained in our products on our website and would always advise customers with allergies to check this information when ordering as it's regularly updated. Let us know if you've got any allergies or dietary preferences.
